This showing is one of which any
manufacturer might well be proud, and

the Kline manufacturers feel that they have successfully demonstrated that they are producing a car which will compare favorably with any car on the American market, and one which is far ahead of any of the cars in its class. The staunchness and stordy construction of the Kline Kars is proverbial, and these recent races have shown that any claims made for the Kline Kar

are well substantiated.

The beauty of design and finish, which so distinguished the Kline Kars, gives them an air of luxury which leads peo-ple to think them higher priced cars than they really are. Kline Kars are one. Prices on all things are also proving themselves economical high, but in this section they are considerably leaves they tire mileage. In fact, the Kline Kar seems to have proved conclusively its claims of being a "Kar ahead of its

Klass."
A host of enthusiastic owners in and around Richmond will testify to its merits and to the excellency of the direct factory repair service which is anrect factory repair service which other and unique Kline feature. a Kline owner, he knows.

322 West Broad Street. RICHMOND, VA.

You Can Help Us to Help You

anxious to maintain our standard of service. of our younger employees have gone to war and others are getting ready to go. Older men and women have had to take their places.

We would, therefore, ask our patrons to co-operate with us in arranging for their moving as far ahead
